

Why choose Opole?

Dla Inwestora

- strategic location – A4 motorway 14 km away from the city centre
- entrepreneurship – one of the highest entrepreneurship indices among Polish cities at 165
- well-developed and active food, electrical engineering, construction material and automotive sector, in addition to the modern business service sector
- some of the best education opportunities in Poland
- professional staff – 5 universities
- research and development facilities
- a city of young people – 20,000 students, with 6000 of those graduating every year
- attractive location for modern business service centres thanks to very good command of German and the availability of A-class office spaces
- vast investment opportunities – for example in the INVEST-PARK Wałbrzych Special Economic Zone, as well as thanks to an investor concession and support system
- The Song Capital of Poland – the National Festival of Polish Song has taken place in Opole since 1963, and the city houses numerous cinemas, theatres and a philharmonic

- Well-developed health care system
