

Artistic Manor House

Dla Turysty

[Map](#)

It is a cult place for the integration of the music community and many artistic events - including those accompanying the National Festival of Polish Song in Opole. In 1997, on the property at the Manor House, the first in our city and one of the first in the country, Opole Star Alley was established, which became a tourist attraction. During the events accompanying the festivals from the "Press Show" series, the invited stars of the stage, assisted by journalists, photojournalists and the audience, place their handprints, which are then displayed on the retaining wall. Almost every day, the Alley is visited by excursions and individual tourists, taking photos on the occasion.
